

Beneteau Oceanis 45 Syndicate Launching March 2016

The Beneteau Oceanis is a range of sailing vessels where the focus is on the pleasure of living at sea. Safe and spirited, Oceanis yachts are as comfortable cruising as they are capable on longer offshore journeys and the Oceanis 45 is no exception. The Oceanis 45 offers excellent space and comfort while maintaining the joy of safe sailing.

Expressions of interest are being sought from prospective sailors who would like to own a share of one of the world's yachting icons. Yachtshare is preparing to launch an Oceanis 45 syndicate based on Moreton Bay with touring destinations along Queensland's Coral Coast under our very successful syndication program. The all year round sailing conditions of the region provide the ideal location for syndicated yachts. The Oceanis 45 will compliment the existing Yachtshare fleet and create new opportunities for sailors.

The Beneteau Oceanis 45 is an award-winning design from the French shipyard that offers outstanding performance, comfort and innovation. With features such as the mainsail arch, extendable swimming transom and expansive saloon, the yacht is sure to be a favorite among Queensland sailors.

An opportunity has become available to syndicate a pre-owned 2013 model of the Beneteau Oceanis 45. 1/10th shares will be available from \$45,000 inc GST with a monthly service fee of \$750 inc GST per share.

Please contact us today to register your interest in this magnificent syndication opportunity.
